

Advance-Nilfisk Parts

Advance-Nilfisk Part - Imagine how tiresome it would really be to clean up your own home right after throwing a big party, with no assistance from cleaning equipment. Back in the day, the time upholstery and carpets had the dust beat out of them manually; brushes, brooms and cleaning cloths were the best cleaning materials of that time.

The man who founded Nilfisk-Advance, P.A. Fisker, started out as an electrical engineer who really liked to work on electrical motors. After starting his company in the year 1906, he started to produce motors to drive coffee grinders, fans, machine tools and drills. Mr. Fisker's vision from the beginning was to own an international company selling goods globally.

The Nilfisk C1 was an incredible breakthrough for the cleaning business. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and can be operated by a single individual. This creation came in a time where other cleaning equipment were huge and required at least 4 operators, hence, the Nilfisk C1 changed everything and evolved the method we clean forever. The genius behind these very first cleaning equipment remains unparalleled. Cleaning equipment provide a brilliant solution to an existing problem; stuff get dirty and need to be cleaned regularly, without a lot of effort.

Gradually but steadily, Nilfisk-Advance expanded throughout the decades. In the 1980s, this expansion actually happened the time the business became a part of the NKT Group. Their new owners' ambition and motivation made Nilfisk-Advance take a huge leap ahead within the business, aiming to be one of the biggest universal players in the market of professional cleaning equipment. Nilfisk-Advance is currently represented in all parts of the world by gradually obtaining many smaller companies in order to expand their product range and presence in new markets. They are really proud to offer various cleaning solutions to suit each and every requirement.
